You must remember to make reservations for the shuttle bus from the airport to Soto Cano through your sponsor. If you have not received confirmation 10 days before your arrival date, call JTF-B J1 (*see page for contact information*).

Tegucigalpa Airport

Upon arrival into Toncontin International Airport, located in Tegucigalpa, personnel will disembark the aircraft and walk into the immigration area. Make sure you go through the official passport line, not the tourist/Honduran immigration line. Passports will be checked and personnel will be stamped into the country.

After, proceed to the baggage claim area to collect bags. Then walk through the exit and into the airport's main entrance area.

Depending on the number of bags you have, a Honduran local may assist you with carrying them; their tip should be in U.S. dollars. Carrying small bills is a personal choice at your own risk.

The ride from Toncontín International Airport to Soto Cano AB in Comayagua is approximately 90 minutes. The daily shuttle bus departs from Tegucigalpa between 12 p.m. and 2 p.m., or after the last arrival. If you are not met and are unable to find the driver at the airport, call the Soto Cano operator at 2713-5123 and ask for the Joint Operations Center (JOC) at extension 449-4149.

Tegucigalpa House

Personnel who don't make the shuttle bus connection will stay overnight at the house in Tegucigalpa, which is run by JTF-Bravo's Embassy Liaison Office.

The LNO team can be contacted during duty hours at the U.S. Embassy at DSN 449-8357 or commercial line +504-2238-5114, extension 4812/3812. After duty hours the LNO OIC can be reached at +504-9450-3403 and the LNO NCO can be reached at +504-9450-3421

The Tegus House is not a hotel, it is used to provide authorized individuals a clean and secure facility to remain overnight in Tegucigalpa while in the performance of official duties.

Individuals visiting the Tegus House are guests of the JTF-Bravo Command Team and, as such, will conduct themselves in a manner conducive to good order and discipline.

Individuals are responsible for arranging their own transportation and meals. This includes travel to and from the airport. No guests are authorized unless cleared by the JTF-Bravo Commander, Command Sergeant Major, or the JTF-B LNO, acting as their representative.

Please see below under "Reporting Information" concerning your unit assignments. All personnel, regardless of rank, are required to attend the newcomers' briefing held every Thursday at 8 a.m.

About Honduras

Background Information

The Republic of Honduras is located at the heart of Central America. It borders the Caribbean Sea (to the North), Guatemala, Nicaragua, and the North Pacific Ocean between El Salvador and Nicaragua (to the South). Honduras has a total area of 112,090 square miles, making it slightly larger than Tennessee.

On the northern part of the country, bordering with the Caribbean Sea, lie the Bay Islands. They are very popular for scuba diving and are known for their massive coral reef barrier, which is the second largest natural reef in the world.

Across the country you may find clear turquoise waters, pristine beaches, lush jungles, breathtaking mountains, and challenging rivers to explore as well as enjoy the history of the country through the Mayan ruins of Copán or colonial cities and towns such as Comayagua.

Honduras has 18 departments and its capital city is Tegucigalpa, located in the department of Francisco Morazán, and is approximately 51 miles away from the historical city of Comayagua.

The official language is Spanish but English is widely spoken in businesses and it is the main language used in the Bay Islands.

Official currency is the lempira but dollars are accepted in most commercial areas and some parts of the country. Exchange rate as of October 2019 is L. 24.68 per \$ 1.00.

The climate is sub-tropical in low lands, temperate in mountains. The rainy season is from May to October and the dry season is from November through April.

The estimated population is 8.5 million people.
