Dear Service Member,

Congratulations on your assignment to Joint Task Force-Bravo! You have just joined a very unique unit, based out of Soto Cano Air Base in Honduras—the oldest Task Force in U.S. military history. JTF-Bravo is a subordinate command of U.S. Southern Command, responsible for a Joint Operations Area, which encompasses the seven Central American countries. Our focus is strengthening partnerships, maintaining personal readiness, and integrating capabilities internal to JTF-Bravo with our partner nations. This focus enables combined operations to effectively counter regional threats, build our partners' capacity, and quickly respond to humanitarian assistance/disaster relief contingencies.

JTF-Bravo is a joint organization, comprised of more than 500 U.S. military personnel and more than 500 U.S. and Honduran civilians, who serve across three different units including the 612th Air Base Squadron, Army Forces Battalion, and the 1st Battalion, 228th Aviation Regiment. Our force executes operational missions on a daily basis in a very complex environment. Although the operational tempo is high in this deployed environment, our Service Members will have opportunities to travel throughout Central America. Service in JTF-Bravo will prove to be both challenging and incredibly rewarding.

Please take the opportunity to review our Welcome Guide as you make preparations for your new assignment at Soto Cano. Like any overseas deployment, there are many details you will need to facilitate a smooth transition. Our Welcome Guide contains expansive information about the base facilities, the unit you may be assigned to, administrative details, and a brief history of JTF-Bravo. Don't hesitate to reach out to your sponsor and ask questions about your upcoming deployment. We look forward to having you as a valued member of our joint team!

Once again, welcome to Joint Task Force-Bravo. “Progress through unity!”

Sincerely,

Requirements and Preparations

Passport and Clearances
Though the Foreign Clearance Guidance states Honduras does not require an official passport to enter the country, per the USSOUTHCOM reporting instructions official no-fee passports are required for all personnel PCS or TDY for 30 days or more. Due to the various missions in various countries with CENTAM, once again, official no-fee passports are required. Personnel traveling to Honduras in TDY status for 29 days or less may enter the country with a valid identification card and travel orders in accordance with the Foreign Clearance Guide. Please see https://www.fcp.pentagon.mil/fcg

All personnel are encouraged to initiate a passport (check for service specific requirements based on PCS, TDY, or deployment status) upon assignment notification. The Honduran Government, through coordination with the JTF-Bravo liaison at the U.S. Embassy, will allow personnel to enter the country for up to 90 days if the passport is delayed. Contact JTF-Bravo J-1 for assistance with passport issues (see directorate). Additionally, all personnel need to obtain theater and country clearances through the Aircraft and Personnel Automated Clearance System (APACS) prior to arrival (see SOUTHCOM and service-specific Reporting Instructions for additional information).

Pay attention to the directions for the particular anti-malaria medicine you are prescribed, as most require you to begin taking them prior to arrival.
Since the pharmacy’s availability of medications cannot be guaranteed due to supply limitations, personnel with chronic medication needs should bring sufficient quantities to cover the entire length of their stay. **SECTION III**

**Arrival in Honduras**

**Must-Know Information**

**Travel and Excess Baggage**

All personnel must travel to Honduras in civilian attire by U.S. commercial aircraft into Tegucigalpa, the capital city of Honduras. Service members must check their orders for authorized bag and weight limitations; there may be job-specific exceptions.

You must remember to make reservations for the shuttle bus from the airport to Soto Cano through your sponsor. If you have not received confirmation 10 days before your arrival date, call JTF-B J1 (see page for contact information).

**Palmerola International Airport**

Upon arrival into Palmerola International, located next to Soto Cano Air Base, personnel will disembark the aircraft and walk into the immigration area. Make sure you go through the official passport line, not the tourist/Honduran immigration line. Passports will be checked and personnel will be stamped into the country.

After, proceed to the baggage claim area to collect bags. Then walk through the exit and into the airport’s main exit area where you will identify the Soto Cano Airport Shuttle bus.

Depending on the number of bags you have, a Honduran local may assist you with carrying them; their tip should be in U.S. dollars. Carrying small bills is a personal choice at your own risk.
The ride from Toncontín International Airport to Soto Cano AB in Comayagua is approximately 90 minutes. The daily shuttle bus departs from Tegucigalpa between 12 p.m. and 2 p.m., or after the last arrival. If you are not met and are unable to find the driver at the airport, call the Soto Cano operator at 2713-5123 and ask for the Joint Operations Center (JOC) at extension 449-4149.

**Tegucigalpa House**

Personnel who don’t make the shuttle bus connection will stay overnight at the house in Tegucigalpa, which is run by JTF-Bravo’s Embassy Liaison Office (LNO).

The LNO team can be contacted during duty hours at the U.S. Embassy at DSN 449-8357 or commercial line +504-2238-5114, extension 4812/3812. After duty hours the LNO OIC can be reached at +504-9450-3403 and the LNO NCO can be reached at +504-9450-3421.

The Tegus House is not a hotel, it is used to provide authorized individuals a clean and secure facility to remain overnight in Tegucigalpa while in the performance of official duties.

Individuals visiting the Tegus House are guests of the JTF-Bravo Command Team and, as such, will conduct themselves in a manner conducive to good order and discipline.

Individuals are responsible for arranging their own transportation and meals. This includes travel to and from the airport. No guests are authorized unless cleared by the JTF-Bravo Commander, Command Sergeant Major, or the JTF-B LNO, acting as their representative.

*Reservations for the Tegus House must be sent via email. Only in emergency situations will phone reservations be accepted.*
In-Processing

Service members and DOD civilians will need their military/DOD ID card to get onto Soto Cano Air Base. Your unit sponsor will meet you upon arrival and escort you to your quarters and unit.

In-processing activities are mandatory and will not be superseded for any reason. You must go to J1 first to obtain your overall base in-processing checklist. You will also receive an in-processing checklist from the unit that you will be assigned to. Please see below under "Reporting Information" concerning your unit assignments. All personnel, regardless of rank, are required to attend the newcomers’ briefing held every Tuesday at 9 a.m. at the base theater, followed by the in-processing line at 11 a.m. at the Friendship Chapel.

Unaccompanied Baggage & Household Goods

Incoming personnel who PCS with personal property shipments need to in-process through the Joint Personnel Property Shipping Office (JPPSO). Personnel must provide their name, building number and phone number. This information is needed to contact members when their shipment arrives.

JPPSO will contact service members once their shipment arrives to arrange for delivery. Deliveries are usually scheduled for Fridays only.

About Honduras

Background Information

The Republic of Honduras is located at the heart of Central America. It borders the Caribbean Sea (to the North), Guatemala, Nicaragua, and the North Pacific Ocean between El Salvador and Nicaragua (to the South). Honduras has a total area of 112,090 square miles, making it slightly larger than Tennessee.

On the northern part of the country, bordering with the Caribbean Sea, lie the Bay Islands. They are very popular for scuba diving and are known for their massive coral reef barrier, which is the second largest natural reef in the world.

Across the country you may find clear turquoise waters, pristine beaches, lush jungles, breathtaking mountains, and challenging rivers to explore as well as enjoy the history of the country through the Mayan ruins of Copán or colonial cities and towns such as Comayagua.

Honduras has 18 departments and its capital city is Tegucigalpa, located in the department of Francisco Morazán, and is approximately 51 miles away from the historical city of Comayagua.

The official language is Spanish but English is widely spoken in businesses and it is the main language used in the Bay Islands.

Official currency is the lempira but dollars are accepted in most commercial areas and some parts of the country. Exchange rate as of August 2022 is L. 24.57 per $1.00.
